A Winter Wonderland in Smoketree

This January, Smoketree was transformed into a breathtaking winter wonderland as snow blanketed the neighborhood in serene beauty. From tree-lined streets to familiar landmarks, every corner of our community sparkled with the magic of winter.

The cabana, a cherished centerpiece of Smoketree, looked especially picturesque beneath its layer of fresh, powdery snow. Its bold red structure stood out beautifully against the icy backdrop, creating a postcard-perfect scene.

Neighbors took full advantage of the rare snow day, building snowmen, enjoying sledding adventures, and capturing memories of this stunning winter surprise. It was a moment that reminded us of the charm and warmth of our community, even in the coldest months.

As we look back on this snowy highlight, we hope it brought as much joy to your family as it did to the entire neighborhood. Stay cozy, Smoketree!

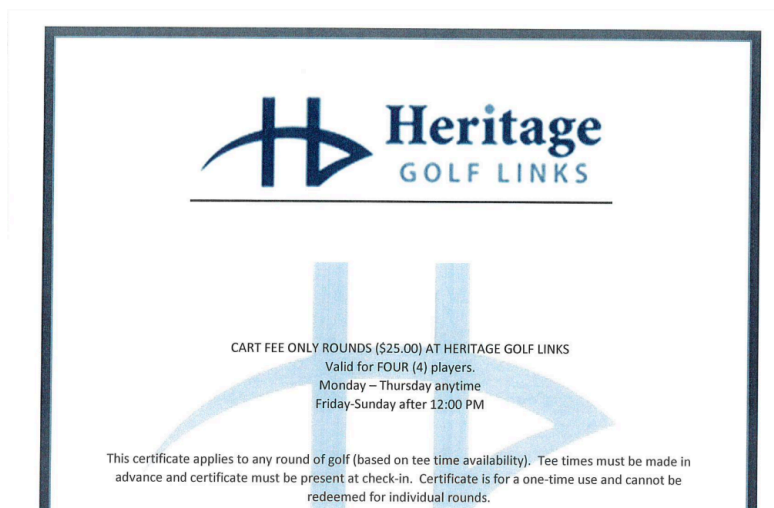

Cookies for Cops: Sweet Gratitude for Our Local Heroes

A big thank you to everyone who contributed delicious treats for our annual Cookies for Cops initiative! This year, the goodies were delivered to the on-duty sergeant at the Gwinnett County Police Department's Westside Precinct. His reaction said it all—he was thrilled to receive them and jokingly mentioned he'd be keeping everything at his desk!

Our officers were incredibly appreciative of the thoughtful gesture. This cherished annual tradition continues to strengthen the strong relationship we enjoy with our local police department. Thank you for helping us show our gratitude to those who keep our community safe!
